

MADE IN THE
USA
AMPRO™

Reinvigorates

The makeup of AMPRO™ will help significantly to extend our lifespan, normalizes blood pressure, assists in weight reduction and has many essential benefits. It's potent anti-inflammatory and antioxidant effects (ORAC 14,677) will improve and inhibit platelet aggregation and counter insulin resistance. It also may protect the brain and kidneys against oxidative stress and high blood cholesterol. AMPRO™ is suitable for both adult men and women. The Researcher believes it will reduce liver diseases, improve breast health in women, improve prostate health and will increase levels of energy and better muscle health in athletes.

✓ **LOSE WEIGHT.**

Recommended dosage provides the same effect as that of a calorie-reduced diet. The result is your slim body and excellent health condition together with appetite reducing and enough energy for active life style.

✓ **ANTI-DEPRESSANT**

With AMPRO you will look and feel younger, live longer - that's what makes AMPRO a unique product.

✓ **BOOST YOUR ENERGY**

Being a perfect means to increase your stamina AMPRO will give you a safe and natural extra energy boost without harsh stimulants and help to athletically perform better.

✓ **ANTI-INFLAMMATORY PROPERTIES**

It is an effective artery protector, antioxidant and inflammation damper, which science has shown to provide protection against many cancers and ailments.

✓ **REVERSE YOUR AGING PROCESS.**

Being amongst the most important anti-aging supplements ever discovered Trans-Resveratrol has been proven by experts to slow the ageing process if used per recommended dose regularly.

✓ **ANTICANCER PROPERTIES**

Trans-Resveratrol exhibits profound anti-cancer properties and has been specifically proposed for treatment of all forms. of cancer including myeloma, breast, colon, prostate, pancreatic and lung cancer.

✓ **ANTI-CHOLESTEROL PROPERTIES**

Researchers agree on some levels that Resveratrol & Creatine offer protective properties.

✓ **LOWER YOUR RISK OF HEART ATTACKS AND STROKES**

Heart-healthy advantages stem from the fact that AMPRO limits the effects of cardiac fibrosis, a hardening of the heart tissue in addition to AMPRO's ability to help prevent blood clots and also possibly reducing cholesterol.

✓ **NORMALIZE BLOOD PRESSURE AND BLOOD SUGAR**

Resveratrol is known to normalize both insulin and blood pressure levels which as a result will reverse many diseases.

✓ **METABOLIC SUPPORT**

AMPRO plays a crucial role in neuronal energy metabolism at both the organism level and the Cellular level; it boosts your immunity to illness and will make you feel better than ever before.
