

# Amprozeal™

Neurodegenerative Disorder, RA, SLE & ALS

Bio-cellular activity and its functionality throughout human body is dependent upon uninterrupted supply of required nutrients and oxygen for inter-neuron communication for action and reaction. Bioavailability is the most effective natural way for our body to receive complex nutrient compounds bound with organic carbon from food sources. As motor neurons degenerate, they can no longer send impulses to the muscle fibers that normally result in muscle movement.

Amprozeal™ is rich in phosphatidylserine, lipid-regulating agents and beta endorphins.

Amprozeal™ is Compatible with a wide array of medications including: antacids, anti-hypertensives, anti-inflammatories, antiulcer and mucolytic agents, diuretics, antithrombotics, hypoglycemics, antiarrhythmics, insulin, calcium channel blockers, calcitonin, chemotherapy drugs and other medications.

Amprozeal™ is formulated with 400 plus ingredients:

- ✓ 70 organic trace minerals, full spectrum, plant derived, 20 amino acids, 119 bioflavonoids, 159 antioxidants, 38 essential oils vitamin sources, 12 macro minerals, 8 protein minerals, 7 essential fatty acids, 65 electrolytes, 38 super green foods, 16 digestive enzymes, 14 seeds and sprouts, 20 amino acids, 12 carotenoids, 27 vegetables, 16 probiotics, 26 fibers, 35 fruits, 59 herbs and Noni, Acai, Goji Berry, Aloe, Chaste Berry and, Mangosteen concentrated juices
