

Welcome Aboard

Nov 5 2009

It is my distinct pleasure and honor to welcome Dr. Saja Gleeson M.D., as President and Chairman of the Board of Advisory of Vitalee Inc. Dr. Gleeson is chartered with the following assignment:

- Assisting in establishing advanced anti aging and cosmetic surgery center in Dubai
- Advising on research and product development
- Chairing meetings on corporate governance and formulation of corporate policies and milestones
- Assisting in public relations of the Company to shareholders and prospective shareholders and providing senior level strategic advice on an as needed basis

Dr. Gleeson is a board certified physician and a Diplomat of Internal Medicine, in addition she is also an Assistant Clinical Professor of Medicine at University of California San Diego, School of Medicine and a Clinical Instructor at UCLA, David Geffen School of Medicine. Dr. Gleeson professional philosophy is simple and straight-She believes in providing the highest quality care with respect, honor and integrity.

Dr. Gleeson possesses over a decade of experience in evidence based medicine specializing in diabetes, hypertension, high cholesterol, pulmonary disease and sexual dysfunction in both men and women. Dr. Gleeson believes that "the best form of medicine is preventative medicine" and those physicians should be role models to their patients with the implementation whenever possible of natural supplements that work before prescribing medication.

Dr. Gleeson believes that God has made our bodies in a miraculous way. Our heart pumps blood through our veins, arteries, and capillaries to every cell in our body. Imagine that your body is a country and the cells are its citizens. In order for the country to be strong, its citizens must have various jobs, proper tools to perform those jobs, proper nutrition to stay healthy, a transportation system, a communication system, and a waste disposal system of toxic waste.

At Vitalee Inc, Dr. Gleeson is instrumental making sure that the products are made with the highest quality of ingredients and customers are treated with respect and honor. Dr. Gleeson deserves to be congratulated and rewarded for her community services and support .
